С	V	RULES
		(f) Is familiar with the operation of the fire
		extinguisher, if required.
		(2) The following documents are on file in the center:
Ш	Ш	(a) A copy of each driver's driving record, obtained from the secretary of state at least once a
		year.
П		(b) A self-certifying statement that all volunteer
_		drivers comply with subrule (1).
		(c) A copy of a valid operator license.
П		(3) Drivers have a copy of the child information card
ш	Ш	for each child being transported in their vehicles.
		R 400.5611 Caregiver-to-child ratio and
		supervision
		(1) The ratio of caregivers to children:
		(a) Infants and young toddlers, 1:4, excluding the
		driver.
닏	님	(b) Older toddlers, 1:8, excluding the driver.
	Ц	(c) 3 years of age, 1:10, excluding the driver.
Ш	Ш	(d) 4 years of age, 1:12, excluding the driver.
Ш		(e) School-age children, 1:18, including the driver.
		This does not apply when school-age children are
		transported to and from school on public school or
П		public transportation.  (f) An additional adult is not required if only 1 child
ш	Ш	under 36 months of age is transported.
П		(g) Children who are related to the caregiver or
_		licensee are counted in these ratios.
		(2) Additional staff members or volunteers are:
		(a) At least 16 years of age.
		(b) Seated with the children.
		(c) Responsible for the supervision of the children.
		(3) When children are entering or leaving the vehicle:
П		(a) Children are received by a staff person, parent,
_	_	or other person as designated by the parent.
		(b) Children enter and leave the vehicle from the
		curbside unless it is in a protected area or driveway.
	닏	(c) Children are not left unattended in a vehicle.
Ш		(4) Children under school-age are carried or helped
		into and out of the vehicle.

Date	License Number

С	٧	RULES
		R 400.5613 Time limitation on child transit
		Transportation routes are planned so no child under school age is not in the vehicle longer than 1 continuous hour.
		R 400.5615 Parent permission for routine transportation
		Parent's written permission is obtained annually for routine transportation

## **Instructions for use:**

Notes:

- 1.
- Use to make notes and observations during the inspection.

  Verbally discuss cited rule violations with the licensee/designee at the exit conference.

  Discard once this information has been included in the appropriate report. 2.
